# BEEPBALL IS...

**DESCRIBED BY BLIND ATHLETES AS "A DREAM COME TRUE," BEEPBALL ADDS A SPIN ON BASEBALL THAT ALLOWS THOSE WHO ARE LEGALLY BLIND TO COMPETE**

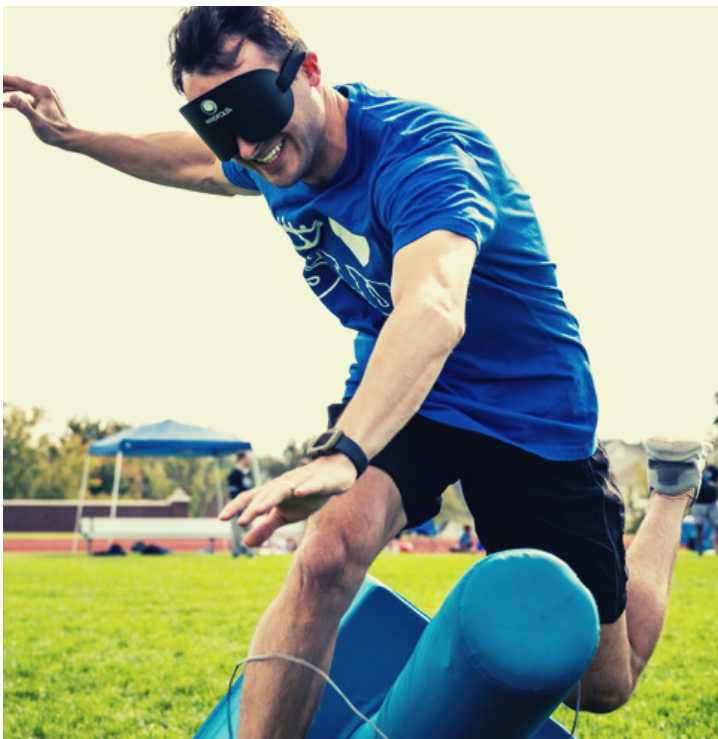

BeepBall is a spin on baseball that unites blind and sighted athletes on the same playing field. BeepBall serves as a year-round educational program for St. Louis Metro area public schools and the community at large.

This program creates awareness of the low vision community and fosters inclusive recreation.

The BeepBall Program is a fun, hands-on way to raise support and teach about inclusivity, blindness, sportsmanship, and collaborative teamwork.

BeepBall events are designed for people of all visual abilities to provide fun and learning within a diverse recreational experience.
