

# 2025 NBBA World Series

## July 20-July 26, 2025

### St. Louis Metro Area

National Beep Baseball Association

## 2025 NBBA World Series

### Presented by

# ABOUT THE NBBA WORLD SERIES

The first World series tournament was held in September 1975 in St. Paul Minnesota. The final score of the championship game of that first World Series was the St. Paul Gorillas 39 – Phoenix Outlaws 27.

The National Beep Baseball Association (NBBA) organization was initially established in January 1976 In Chicago. The first President of the NBBA was Bill Gibney from Phoenix, Arizona.

## Champions of the League

The reigning champions are the BSO Philly Fire. They won their first World Series in 2024.

# ABOUT THE HOSTS

MindsEye builds a more inclusive community by translating vision into audio for individuals who are blind or partially sighted.

MindsEye is a 501(c)3 nonprofit and the only service of its kind in the St. Louis region. Through award-winning, volunteer-driven programs, all community members can access news, information, rewarding recreation, and artistic and cultural experiences.

# SPONSORSHIP LEVELS

## Field Sponsor \$2500

Show your support of adaptive sports by sponsoring one of ten tournament fields. Beep baseball is played on soccer fields, and the SLYSA Complex has some of the best! Your support at this level includes signage at the field, as well as your company logo in the tournament program, newsletters, social media posts, and other digital and print marketing.

## KOOL or WOOL Sponsor \$1000

Kids of Our League (KOOL) and Women of Our League (WOOL) are special initiatives of the NBBA. KOOL is committed to developing athletic and interpersonal skills through physical training, competition, mentorship and empowerment. WOOL empowers the blind and visually impaired female population to compete on the ball field in the adaptive version of America's Favorite Pastime. Your support at this level includes signage at KOOL/WOOL events, as well as your company logo in the tournament program, newsletters, social media posts, and other digital and print marketing.

## BeepBall Sponsor \$500

BeepBalls are the heart of this sport and are specially manufactured with electronic components. With a well-placed swing, these components can get damaged during play. The tournament requires nearly 250 balls to last the week of competition! Your support at this level includes recognition in the tournament program, newsletters, social media posts, and other digital and print marketing.

## Doggy Day Care \$250

Service Dogs are a key part of helping visually impaired persons getting around. During Beep Baseball games in the summer, they get some time off work! Service Dogs are in a designated area of the Host Hotel and need to be cared after while their owners are playing ball. This includes walks, playtime, and feedings if needed. Proper staffing is essential to keep these dogs safe and ready to work when their owners get back from playing.
